

community. Police work and defending the innocent was in his blood. TJ even had a tattoo that read, "Blessed are the peacekeepers", a constant reminder of his daily work. TJ was a hero in the truest sense, bravely giving his life to serve and protect his community.

TJ leaves behind his wife, Jessica, and their two children, Braden and Blaiklyn. Additionally, I want to take this time to thank all of our law enforcement officers in Georgia's Eighth Congressional District for your service. You are true public servants, and our communities can rest a little bit easier each night knowing you are protecting us. Thank you, TJ, and God Bless.

HONORING DAGMAR DOLBY

HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, May 23, 2016

Ms. SPEIER. Mr. Speaker, I rise to honor Dagmar Dolby, an exceptional philanthropist and tireless advocate for social justice, health and the arts. She is being recognized for her contributions and commitment to our community by the Junior League of San Francisco. I am very proud to call Dagmar a close friend.

Dagmar did not grow up in a culture where volunteering was commonplace. She grew up in Frankfurt, Germany, lived in India for a year and then spent ten years in London before she and her late husband moved to San Francisco where she deeply immersed herself in volunteer work for a long list of auxiliaries and boards, starting with her son's school. She served on the Town School Board of Trustees & Parents' Association for nine years and the San Francisco School Volunteers Advisory Council for twelve years.

In 1986 she joined the Board of Directors for the Northern California Chapter of Achievement Rewards for College Scientists (ARCS), a group of women who have raised more than \$90 million for graduate students in science, technology and medicine across the country. From 1990 through 1992, Dagmar was the President of the Board. At the same time, she served on the board of San Francisco University High School and later as the Parent Trustee at Cate School in Carpinteria.

Dagmar also has a passion for the arts. She volunteered her time and boundless energy on the boards of the Fine Arts Museum of San Francisco and the American Conservatory Theatre.

In the mid-90s, Dagmar founded the San Francisco Power of Choice Luncheon for NARAL Pro-Choice America on whose board she has served for 16 years. Dagmar redoubled her efforts towards finding a cure for Alzheimer's disease when her late husband, Ray Dolby, started showing symptoms of the disease in 2011. Tragically, he passed away in 2013.

Ray Dolby, the inventor and founder of Dolby Laboratories, was joined by his wife in many philanthropic efforts. After graduating from the University of Heidelberg in 1966, Dagmar worked as a public relations specialist at Dolby Laboratories and a translator in German, English and French. They have two sons, Tom and David. Dagmar is now the President of the Ray and Dagmar Dolby Family Fund.

The Dolby's generous philanthropic contributions have benefited science and medicine for decades. They supported the Stem Cell Initiative and the California Institute for Regenerative Medicine leading to a seed grant at UCSF for the Ray and Dagmar Dolby Regeneration Medicine Building. They founded the Ray Dolby Brain Health Center at California Pacific Medical Center under the directorship of Dr. Catherine Madison. They increased funding of Alzheimer's research at UCSF, Stanford, the Buck Institute, the Gladstone Institute and the Salk Institute. They funded the Zenith Society of the Alzheimer's Association which works on raising awareness.

More recently, Dagmar provided funding of new faculty positions at the UCSF Department of Psychology. In collaboration with her son, David, and daughter-in-law, Natasha, she is engaged in increasing funding for the empowerment of women and girls.

Mr. Speaker, I ask the House of Representatives to rise with me to recognize the tremendous achievements and contributions that Dagmar Dolby has made to society and the well-being of others. Her altruism and fearlessness when taking on difficult and controversial issues demonstrate her leadership and determination to make the world a better place. In San Francisco where philanthropy is widespread no one comes close to Dagmar's generosity.

COMMEMORATING THE 2016 GRADUATING CLASS OF LINCOLN COLLEGE

HON. DARIN LAHOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, May 23, 2016

Mr. LAHOOD. Mr. Speaker, today, I would like to honor a remarkable institution, Lincoln

College, located in Lincoln, Illinois. For more than 150 years, this school has uniquely equipped students with the tools necessary to realize their full potential and achieve their dreams.

In 1853, commissioners began searching for a new location for the university. It became evident that the best place would be Lincoln, Illinois, the first city in the United States to be named after Abraham Lincoln before his presidency. On February 12, 1865, President Lincoln's last living birthday, construction of the first college building began.

Today, students from all over the country attend Lincoln College to benefit from the institution's leadership-style teaching and various degree programs. This year, 273 students graduated from the college and have become proud Lynx alumni. These students had the honor of welcoming Mr. Hal Holbrook as the commencement speaker and honorary degree recipient at their commencement this year. Holbrook is known for his Emmy Award winning portrayal of Abraham Lincoln in the TV miniseries, Carl Sandburg's Lincoln.

I am humbled to represent such an outstanding institution with a faculty that prepares each student to become a leader in our society. Lincoln College has upheld President Lincoln's virtue of learning and self-improvement with each graduating class. I applaud the institution's service to our community as they educate those who will assume roles of leadership, responsibility, and service in our society. Congratulations to all 2016 graduates from Lincoln College.

RECOGNIZING THE DEDICATION
AND SERVICE OF PASTOR GORDON
GODFREY, JR. ON THE OCCASION
OF HIS TWENTY-FIFTH ANNIVERSARY AS PASTOR OF
MARCUS POINTE BAPTIST
CHURCH IN PENSACOLA, FLORIDA

HON. JEFF MILLER

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Monday, May 23, 2016

Mr. MILLER of Florida. Mr. Speaker, on behalf of the United States Congress, it is an honor for me to rise today to recognize Pastor Gordon Godfrey, Jr. for his twenty-five years of service as pastor of Marcus Pointe Baptist Church in Pensacola, Florida.

Pastor Godfrey was called by the grace of God from his full-time ministry in Panama City, Florida to Fundamental Baptist Church in Pensacola, Florida in 1991. By the time Pastor Godfrey arrived, Fundamental Baptist Church had undergone multiple leadership changes and experienced great discouragement. The congregation needed a new direction and a renewed sense of hope.

Pastor Godfrey was thriving at his church in Panama City when he was contacted by Fundamental's deacon board. He felt the will of God to move and lead Fundamental Baptist Church to a brighter future. The year he arrived, the Church was transformed. The church moved to their current location and changed its name to Marcus Pointe Baptist Church. Ever since, Pastor Godfrey has demonstrated his extraordinary faith by delivering his inspirational preaching, and has brought people a fresh understanding of God's Word while challenging them to dedicate themselves to follow the tenets of the Lord.

In addition to Sunday services and the various spiritual activities held at the church, Pastor Godfrey has expanded Marcus Pointe's mission to include a Christian elementary

school, a thrift store benefitting military families, and an online Christian Academy for grades 3 through 12. His weekly messages of faith have reached countless individuals, and it is believed that the church has averaged more than 500 salvations while climbing from 63 to more than 1600 members.

Mr. Speaker, on behalf of the United States Congress, I am proud to celebrate Pastor Gordon Godfrey, Jr. for his twenty-five years of dedicated service. I know that this important milestone is only the first of many to come. My wife Vicki and I wish him, his wife June; their children, Becky Meredith and her husband Keith, Greg and his wife Brittany, and Bobby and his wife Aly; and their six grandchildren, all the best for continued success. May the Spirit of the Lord continue to bless Pastor Godfrey, his family and the congregation of Marcus Pointe Baptist Church.
